

Errata

The ST. NICK pattern has had more than its share of problems; hopefully you will find your questions answered here.

The sections "WORK FOOT" and "WORK TOE" should read as follows.
The corrected chart is as follows.

WORK FOOT section should end: Continue following CHART C through rnd 27.

WORK TOE. Continue following CHART C, changing to double pointed needles as necessary.

RND 28: *k2tog, k6* around: 70 sts

RNDS 29-32: k

RND 33: *k2tog, k5* around: 60 sts

RNDS 34-36: k

RND 37: *k2tog, k4* around: 50 sts

RNDS 38-40: k

RND 41: *k2tog, k3* around: 40 sts

RNDS 42-43: k

RND 44: *k2tog, k2* around: 30 sts

RNDS 45-46: k

RND 47: *k2tog (with 147), k1* around: 20 sts

RND 48: k

RND 49: *k2tog* around: 10 sts

Break yarn, leaving a 10" tail, and with a tapestry needle, thread yarn through remaining sts, pull snugly and fasten off on the inside of the stocking.

The first paragraph of "WORK ATTACHED I-CORD" after rnd 78, should read as follows:

WORK ATTACHED I-CORD. Continuing with medium grey blue, cast on 3 sts to left needle. Working with a double pointed needle of the same size, k these three sts, return them to the left needle. *k2 sts, k2tog tbl (one st from the I-cord and one st from the stocking), return these 3 sts to left needle;* repeat between *s until 3 sts are left; graft them to beg of I-cord.

the "Short rows" part of the "WORK HEEL" section should read as follows:

Short rows: Continue following CHART B, working dec sts in background color.

row 21: sl st, k17, ssk, turn

row 22: sl st, p11, p2tog, turn

row 23: sl st, k11, ssk, turn

Repeat rows 22 AND 23 until all the "side" sts have been worked: 13 sts remain. Break both yarns.

Rnd 1 of the "WORK FOOT" section should read as follows:

RND 1: k7 sts from heel, pick up and k10 sts tbl along heel flap, k47 sts being held, pick up and k10 sts tbl along heel flap, k6 sts from heel; 80 sts.
